Dear Parent/Carer

5<sup>th</sup> January 2021

### Coronavirus (COVID-19)

As coronavirus (also known as COVID-19) continues to spread, and we enter our third lockdown, we would like to once again clarify how we are responding to the global health crisis, and the steps that we can all take to reduce the spread of coronavirus, while continuing to run school for a reduced capacity of pupils.

### What you can do to reduce infections spreading

You should encourage your children to wash their hands often and thoroughly with soap and water. In particular, after going to the toilet and before eating or handling food. In addition, please ensure that your child:

- Covers their mouth and nose with a tissue or sleeve (not hands) when they cough or sneeze;
- Puts any used tissues in the bin straightaway and washes their hands immediately after handling used tissues;
- Tries to avoid touching their eyes, nose or mouth if they have not washed their hands recently;
- Tries to avoid close contact with people who are unwell;
- Follows the 'Hands, Face & Space' and 'Stay at Home' Government message.

### Remote Learning

Following the announcement yesterday, Monday 4<sup>th</sup> January, that school is closed to your child/ren, their learning will move to online teaching (from tomorrow Wednesday 6<sup>th</sup> January), which can be located via our school website: <http://chancelprimary.co.uk/> following the pathway:

- **Our School**
- **About Our School**
- **Home Learning**

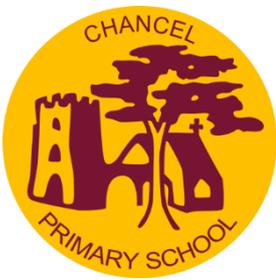

For the remainder of this week, teachers will provide children with interim learning tasks; while preparing full online interactive learning activities to start next Monday 11<sup>th</sup> January, the interactive learning schedules will be available on a weekly basis, for the duration of this lockdown.

In order that children can record their learning, home packs are available to collect from school tomorrow, Wednesday 6<sup>th</sup> January, as follows:

Year Group	Collection Time
Reception	9.15 to 9.45am
Year One	10.00 to 10.30am
Year Two	10.45 to 11.15am
Year Three	11.30am to 12.00pm
Year Five	1.30 to 2.00pm
Year Six	2.15 to 2.45pm

## Pupil Wellbeing

Pupils' experiences of lockdown will vary. For some, it will mostly be a safe and enjoyable time. For others, it will prove challenging or traumatic. In light of this, we are committed to supporting our pupils' mental health and wellbeing. Each year group will continue to communicate with each other, and their teaching staff, through the class blogs – they will also be able to access a whole-school wellbeing blog (enabling them to make contact with our school community), these blogs are available through Purple-Mash. A series of mind-set activities are available for your child/ren to access (see the school website), and weekly RSHE (Relationships, Social & Health Education) activities will be planned as part of your child's interactive learning schedule. We will also be trialing an online weekly celebration assembly, via Zoom – details will be available in the weekly Chirper and on the school app, which will continue to be updated on a weekly basis.

With the planned rollout of the vaccinations, we are hoping that it won't be too long before we can all be back together again, as a whole-school community.

Keep yourself and your loved ones safe.

*T Blankley*
